ASSIGNMENT OF PATENT APPLICATION

WHEREAS, The Flood Company (hereinafter "Assignor"), a corporation organized and existing under the laws of the United States of America and having a principal office at 1212 Barlow Road, Hudson, Ohio 44236-0035, United States of America, is the sole and exclusive owner by assignment of the United States Patent identified herein; and

WHEREAS, Akzo Nobel Coatings International B.V. (hereinafter "Assignee"), having a principal office at Velperweg 76, NL-6824 BM Arnhem, The Netherlands, is desirous of acquiring the entire right title and interest in and to the said United States Patent and the invention covered thereby;

THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, receipt of which is hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over unto Assignee, its successors, assigns and legal representatives the entire right, title and interest in and to:

The U.S. Patent Application No. 10/767,984 filed on January 29, 2004

and all divisional, continuing, substitute and all other applications for Letters Patent which have been or shall be filed in the United States on the subject matter of said patent applications, and in and to all patents, reissue patents, extensions and reexamination certifications which have been or shall be issued in the United States on said subject matter, the same to be held and enjoyed by Assignee for its own use and behoof and for the use and behoof of its successors, assigns, or other legal representatives;

Said Assignor, to carry out in good faith the intent and purpose of this assignment, will execute all rightful oaths, assignments, powers of attorney and other papers, communicate with said Assignee, its successors and assigns and representatives all facts known, and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection and for vesting title to the rights and property herein conveyed in said Assignee, its successors, assigns and legal representatives;

Assignor covenants with Assignee that no assignment, grant, mortgage, license or other agreement adversely affecting the rights and property herein conveyed has been made to any other entity by Assignor, and the full right to convey the same as herein expressed is possessed by Assignor;

In witness whereof, this assignment is executed by Assignor
at Tarrytown, New York , this 4th day of October, 2007.
